AGENDA REPORT

AGENDA DATE 01/13/04

AGENDA ITEM 3

WORK SESSION ITEM

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT: Measure B Pavement Rehabilitation, Slurry Seal & Overlay 2003-04:
Approval of Plans and Specifications and Call for Bids

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution that approves the plans and specifications for the Measure B Pavement Rehabilitation, Slurry Seal & Overlay 2003/04 projects and calls for bids to be received on February 17, 2004.

BACKGROUND:

These projects, which are Measure B funded, are a continuation of the City's ongoing program to slurry seal or overlay residential streets every six-to-seven years, thereby extending the life of the street pavement. In order to concentrate the work for purposes of efficiency, project locations are rotated throughout the City annually by district. This year's project will focus on the Fairway Park area. Exhibits A and B identify those streets proposed for slurry seal or pavement overlay this year.

Pavement rehabilitation in this project consists of making deep-lift asphalt concrete spot repairs, and placing either an asphalt concrete overlay or slurry seal on the various streets.

For cost effectiveness, the work will be bid as two separate contracts - one for all pavement repair and overlay work and one for the slurry seal work.

After the construction contract is awarded, a preliminary notice explaining the slurry seal project will be posted and distributed to all residents along the affected streets. Later, when the construction work is scheduled, a detailed notice indicating the date and time of work on each street will be distributed to all affected residents. The slurry seal notice for streets will explain the necessity for clearing the street prior to the slurry seal application and that the slurry must be allowed to dry for approximately four hours before the street can be reopened to traffic. It will also explain that residents who cannot leave their vehicles in the driveway for the day need to park their vehicles outside of the work area while their street is being slurried.

These projects are categorically exempt under the "Operation, Repair, Maintenance, or Minor Alteration of Existing Facilities" section of the California Environmental Quality Act Guidelines.

PROJECT COSTS:

The estimated project costs are as follows:

Pavement Slurry Seal - Contract Construction	65,000
Pavement Repair/ Rehabilitation - Contract Construction	680,000
Re-striping (City Forces)	15,000
Crack Sealing (City Forces)	35,000
Design and Administration	25,000
Inspection and Testing	<u>50,000</u>
TOTAL	870,000

FUNDING:

A total of \$786,000 remains in the 2003-04 Capital Improvement Program for Street Repair, Pavement Rehabilitation, and Slurry Seal. After bids are received, additional appropriation will be requested, if necessary.

SCHEDULE:

Pavement Rehabilitation

Receive Bids	February 17, 2004
Award Contract	March 16, 2004
Begin Work	April 12, 2004
Complete Work	June 11, 2004

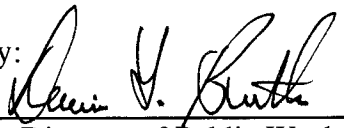

Slurry Seal

Receive Bids	February 17, 2004
Award Contract	March 16, 2004
Begin Work	June 14, 2004
Complete Work	July 13, 2004

Prepared by:

Robert A. Bauman, Deputy Director of Public Works

HAYWARD CITY COUNCIL

RESOLUTION NO. 04-

Introduced by Council Member _____

RESOLUTION APPROVING PLANS AND SPECIFICATIONS
FOR THE MEASURE B PAVEMENT REHABILITATION
AND SLURRY SEAL 2003/04, PROJECT NO. 5168, AND
CALL FOR BIDS

BE IT RESOLVED by the City Council of the City of Hayward as follows:

1. That those certain plans and specifications for Measure B Pavement Rehabilitation and Slurry Seal 2003-04, Project No. 5168, in the office of the City Clerk, are hereby adopted as the plans and specifications for the projects; and
2. That the City Clerk is hereby directed to cause a notice calling for bids for the required work and material to be made in the form and manner provided by law; and
3. That sealed bids therefore will be received by the City Clerk's office at City Hall, 777 B Street, Hayward, California 94541-5007, up to the hour of 2:00 p.m. on Tuesday, February 17, 2004, and immediately thereafter publicly opened and declared by the City Clerk in the Public Works Conference Room, 4th Floor, City Hall, Hayward, California; and
4. That the City Council will consider a report on the bids at a regular meeting following the aforesaid opening and declaration of same.
5. The project is categorically exempt under the "Operation, Repair, Maintenance, or Minor Alteration of Existing Facilities" section of the California Environmental Quality Act guidelines.
